## ABOUT US

Established in 2003 by philanthropist Alhaj Sufi Mohamed Mizanur Rahman, the University of Information Technology and Sciences (UITS) is a leading institution renowned for its excellence in technology education and industry-relevant programs. Founded with the mission of bridging the gap between academia and industry, UITS continues to strive for excellence in the modern era. The UITS Job Fair 2025 promises to be an engaging and interactive event tailored for the UITS community, including students, recent graduates, and alumni. This event aims to connect our talented students with leading companies and organizations in the technology sector. It will provide a platform for participants to explore internship and employment opportunities, network with industry professionals, and gain valuable insights into the latest trends and developments in the business world.
