Call for Papers

Volume-11, Issue-1

Dear Colleagues,

It's our immense pleasure to invite academicians, scholars and researchers to submit their research contributions to our research journal 'UITS Journal of Business Studies', Volume 11, Issue 1. University of Information Technology & Sciences (UITS) is committed to publishing high-quality original works from scholars in different areas of Business. We encourage conceptual, theoretical, and empirical research papers, case studies, book reviews, and editorials on contemporary issues in business from home and abroad.

UITS Journal of Business Studies (UITSJBS) contributes innovative knowledge and understanding to business studies, encouraging research contributions that advance the knowledge of the contemporary world, society and technological development in business. It also includes economics, management, accounting, finance, marketing, hospitality and tourism, digital and social media issues.

Our distinguish reviewer panels, selected from home and abroad for their excellence in corresponding academic and research fields, are dedicated to make substantial efforts to enrich the standard of UITSJBS. All research articles undergo a rigorous editorial screening and anonymous peer review process. We welcome you to submit your manuscripts, which should not have been published previously, nor be under consideration for publication elsewhere before- **December 31, 2025**.

The submission guidelines are available at <https://uits.edu.bd/uits-research-center/>. Please attach a cover letter mentioning the title of article, name of author (s) with affiliations, contact address including e-mail and telephone number (s). Authors are required to send signed declaration of originality of their papers and a certification that the manuscript (s) has not been submitted elsewhere and will not submit it before withdrawing it formally from this journal.

The soft copy of manuscripts in *Microsoft Word and pdf* format should be sent to journal@uits.edu.bd, and a printed copy to:

Director, UITS Research Center,
University of Information Technology and Sciences (UITS),
